

Carolyn Clark PTA News – April 26, 2012

Dear Clark Community,

The PTA would like to thank you for coming out in full force to support the Multicultural Night on April 20th. The event was a great success and a huge community building event. The multicultural night provided a great opportunity to socialize and had tremendous support from several local businesses that sponsored the event and offered exciting raffle prizes for the visitors. On a warm April evening, the availability of food trucks supplying ethnic food and dessert was an added attraction to a crowd who did not mind waiting in line to satisfy their appetite for ethnic foods! As one parent put it, “I am so glad that we got to experience this - Bay area is such a melting pot of cultures; I cannot imagine raising my kids any place else”.

We would specifically like to thank our Gold Sponsors:

- Freeman Orthodontics
- Cambrian Academy
- Silvercreek Academy
- Kumon
- Camp Galileo
- Reliance Auto Body and Paint
- GHI Center
- Motif Couture
- San Jose Academy of Music
- JEI
- ACSATM
- Vaidehi Creative Arts Summer Camp
