

## SPONSORED BY THE CAROLYN CLARK PTA

April 29 – May 3, Carolyn Clark students will be challenged to participate in Screen-Free Week\*. During Screen-Free Week, millions of children and adults pledge to spend seven days screen-free. Instead of watching TV or using computers/tablets/phones, they tend to read, play, think, create, get physically active, and spend more time with friends and family.

To support our students and families the Carolyn Clark PTA will be hosting screen-free activities every weeknight at Carolyn Clark School for families to attend. Those students who attend 3 events during screen free week will be entered into an opportunity drawing for prizes on Friday, May 3rd. Students MUST bring their bookmark to each event in order to be eligible to enter. Students who lose a bookmark, may be given a new one, but stamps from lost bookmarks will not be replaced.

Parents and students are invited to participate in any and all of these FREE events! Snacks will be available for purchase at all events.
